

## JUST OVER IN THE GLORY LAND - 4/4 - G

**G** **C** **G** **A** **D**  
I've a home prepared where the saints abide, Just over in the glory-land;  
**G** **C** **G** **Em** **D** **G**  
And I long to be by me Savior's side, Just over in the glory land.

### **CHORUS**

**G** **C** **G**  
Just over in the glory-land, I'll join the happy angel band,  
**Em** **A** **D**  
Just over in the glory-land;  
**G** **C** **G**  
Just over in the glory-land, There with the mighty host I'll stand,  
**Em** **D** **G**  
Just over in the glory-land.

**G** **C** **G**  
With the blood-washed throng I will shout and sing,  
**A** **D**  
Just over in the glory-land.  
**G** **C** **G** **Em** **D** **G**  
Glad hosannas to Christ, the Lord and King, Just over in the glory-land.

### **CHORUS**

**G** **C** **G**  
Just over in the glory-land, I'll join the happy angel band,  
**Em** **A** **D**

Just over in the glory-land, There with the mighty host I'll stand,
