

## Farther Along - G

### VS1

**G C G**  
Tempted and tried we're oft made to wonder  
**Em A D**  
Why it should be thus all the day long  
**G C G**  
While there are others living about us  
**Em D G**  
Never molested though in the wrong

### Chorus

**G C G**  
Farther along we'll know all about it  
**Em A D**  
Farther along we'll understand why  
**G C G**  
Cheer up my brother live in the sunshine  
**Em D G**  
We'll understand it all by and by

### VS2

**G C G**  
When we see Jesus coming in glory  
**Em A D**  
When he comes down from his home in the sky  
**G C G**  
Then we shall meet him in that bright mansion  
**Em D G**  
We'll understand it all by and by
